

Swiss Institute of Economic Excellence

hereby recognizes

Andy De

as the international

THOUGHT LEADER

in the field of

AI for Healthcare
and Life Sciences

in recognition of their **strategic and economic excellence** in this domain.

They have demonstrated thematic authority by:

- Defining a unique and strategic topic niche,
- Structuring their subject into a set of impactful subtopics, and
- Executing a high-performing LinkedIn campaign that generated visibility, engagement, and meaningful dialogue.

This recognition affirms their role in shaping perspectives, fostering reflection, and advancing Thought Leadership through originality, focus, and consistency.

Cham, Switzerland, May 19, 2025
